We have expanded our Swimming Lessons times and dates. We are offering more lessons for all ages and various options, even popular private one-on-one lessons.

The expansions of our summer camps are included as well. New camps, new locations, new activities are all part of the offerings. New sports camps are also included, so review the variety.

Recreation Class Financial Assistance Program (FAP)

The City provides eligible, low-income Mountain View families limited financial assistance to register children for recreation classes in order to enjoy the benefits of recreation. To qualify, applicants must be a Mountain View resident and qualify through the Community Services Agency (CSA) screening process (subject to Santa Clara County HUD guidelines). The original CSA Financial Assistance Form must be submitted each year at the first time of registration for recreation classes. Upon eligibility, recipients will be allowed to register for a maximum of \$400 or \$800 worth of classes.

- A \$10 fee shall be charged per transaction.
- Withdrawals made less than 5 business days prior to the start date of a class will have double the cost of the class subtracted from the customer’s FAP allocation. No amount will be returned to the remaining FAP balance once it has been applied towards class registration, unless the class is cancelled by the Recreation Division.
- Requests for Transfers, if space is available, MUST be made no less than (3) business days before the first day of the transfer out class.
- FAP recipients who do not attend the first day of a class for which they are registered will be automatically withdrawn, have double the cost of the class subtracted from their FAP allocation and charged a \$10 processing fee per class. **FAP participants must contact the Recreation Division the first day of each session to report absences. If contact is not made on the first day, the FAP participant may be withdrawn and a \$10 fee will be charged for each class.**
- FAP is good for one year (September 1 through August 31) and does not apply to Adult Classes, Golf, Tennis, Lap Swims and Special Events.

Swim Lesson Registration & Guidelines

Registration

- Based on American Red Cross Learn to Swim Program, each child must be the required minimum/maximum age on the first day of each session. **Unfortunately the age requirement is not negotiable.**
- For the first session your child participates in, we recommend enrollment in the last swim level completed in Summer 2013. This serves as a great refresher after almost one year out of the water.
- We strongly urge your to make sure your child is registered for the correct level. If your child is registered for the incorrect level we do not guarantee space in other levels.
- If there is an open spot in a class, the waitlist will be contacted first before allowing any other children into the class.
- To keep your child safe, registration in consecutive classes is not permitted.**

Swim Lesson Guidelines

- Please bring a copy of your receipt on the first day of class.
- During all swim lessons, please direct all questions regarding registration and swim lessons to the Pool Supervisor.
- If your child advances to a higher swim level, transfers may only be made if: 1.) Space is available in the class/session and 2.) The certificate proving the child passed the lower level is presented at the time of the transfer.
- All transfers must be made at the Community Center. **Registrations or transfers are not accepted at the pool.**
- If your child does not attend the first day of class, you will be contacted to confirm that your child will be attending the rest of the session. If your child is no longer able to attend, the waitlist may be contacted to fill the spot.
- Financial Assistance Participants (FAP):** If your child does not attend the first day of class, your child will be automatically withdrawn. Refer to page 2 for more FAP information.
